To Whom It May Concern:

We have been fortunate for the past two years to count Leia Wood as a member of our Board of Directors as she continues to be an energetic supporter of the Arts in Berkeley County.

Leia has provided essential leadership for several projects, and in each case we benefited from her wide range of skills, not only in visual arts but in organization and communication. She has been key in our efforts to initiate a program to bring artists into local classrooms, and she developed the grant applications that helped win funding.

In addition to her positive attitude and attention to detail, Leia regularly practices her artistic talents, bringing her viewers pleasure—and us as well.

You would find Leia a valuable addition to your staff. Please contact me if I can provide more information.

Sincerely,

Malinda Shaver

President
